

# Tuition Addendum – October 2023

## Definition of a quarter credit hour of instruction

Dallas Institute defines a quarter credit hour as a period of instruction that consists of a 50-minute lecture, recitation, or class that meets once a week for an eleven-week quarter. Laboratory sessions are credited one quarter hour credit for every two-hour meeting each week. Clinical Experience hours are credited one quarter hour credit per three-hour meeting.

## AAS – On-Campus

- Starting October 2023, all students enrolling or reenrolling, the tuition rate will be \$330 per credit enrolled
- Current full-time students (12 or more credits per quarter) tuition rate will not be adjusted according to your enrollment agreement
- Current part-time students (11 or less credits per quarter) tuition rate will not be adjusted according to your enrollment agreement

Dallas Institute of Funeral Service charges tuition per quarter based on credits enrolled.
